MEMORANDUM IN SUPPORT

On October 10, 2007, the Magistrate Judge filed a Supplemental Report and Recommendation, recommending that Hall's petition for habeas corpus be denied. Hall was given 10 days from the date of the Report, or until October 24, 2007, in which to file Objections.

The instant petition was filed in early 2002. The state-court proceedings involved two separate trials, with transcripts prepared for each. Additionally, there was a Report and Recommendation filed herein on March 23, 2004, and there was subsequently an evidentiary hearing held in this Court regarding Hall's *Brady* claim. Counsel for Hall obtained the transcripts (Docs. 41 and 42) from the evidentiary hearing late last month.

Undersigned counsel, due to several unrelated circumstances, has been unable to complete the Objections, and respectfully requests a seven-day extension of time within which to file the Objections in this case. This extension is necessary to ensure that Hall is afforded effective assistance of counsel, and no further extension requests are anticipated. Therefore, counsel respectfully requests until November 30, 2007—seven days from the present due date—to file the Objections in this case. An attempt to contact counsel for Respondent regarding this request was made today, but presumably due to the holiday, she was not in the office.

Respectfully submitted,
